(Packet 4)**

Dear Visa Applicant:

The person(s) listed on the attached appointment letter should appear in the U.S. Embassy Bangkok's Consular Section waiting room (located at 95 Wireless Road, Lumpini, Bangkok) on the date and time specified in the appointment letter. If any of the person(s) listed on the attached letter cannot come to the appointment, please inform the Embassy Consular Section by email to [visasbkkiv@state.gov](mailto:visasbkkiv@state.gov) as soon as possible. In order to prepare for your interview, please follow the attached instructions.

**SPECIAL NOTE ABOUT EVIDENCE OF RELATIONSHIP**

In order to process your case, visa officers must be convinced of your relationship with the petitioner. You must bring to your interview sufficient evidence that you have a legitimate ongoing relationship with the petitioner, such as photographs, letters, detailed phone records from telephone companies (prepaid phone cards lacking call details are not acceptable), e-mails, old household registries and/or any other evidence that demonstrates your relationship with the petitioner over time. Failure to bring these items will at minimum delay your case and may even result in revocation of your immigrant visa petition. If the Consular Officer is not convinced of your relationship with the petitioner, he/she may require you to submit further evidence. Petitioners are not permitted to be present at the interview unless specifically requested by the interviewing officer.

**FIRST:** Complete the required [Medical Examination Forms](#). The [Instruction for Medical Examination](#) is also attached.

**SECOND: THE DAY OF YOUR APPOINTMENT**

**ARRIVE ON TIME**

- Bring your interview appointment letter (if applicable).
- If you learned your [visa interview appointment date](#) from the Embassy's [website](#) but you do not have an interview letter, you should come to the Consular Section waiting room on the day of your scheduled appointment. You will be allowed to enter **only** at the time of your scheduled appointment.
- Make sure that everyone listed on the appointment letter brings all required documents that were not submitted prior to the appointment. Arrange documents in the order found in the *List of Documents* below.
- You are responsible for all information provided in your application. All information is subject to verification.
- The visa interview process may take several hours. Please be prepared to clear your schedule, and have breakfast before arriving at the Embassy.

If the Consular Officer requests additional information or documents during your interview, you will need to submit them to **Thailand Post**, document drop-off locations ([Bangkok locations](#) or [other locations](#)), which will deliver your documents to the U.S. Embassy at this address:

U.S. Embassy Bangkok  
120-122 Wireless Road  
Lumpini, Patumwan  
Bangkok 10330  
Attn: CONS/IV

## CHILDREN UNDER 14 YEARS OF AGE

A parent or legal guardian should accompany the minor to the visa interview. If a parent or legal guardian cannot attend the interview, another adult may bring a **notarized letter** from the parent or legal guardian authorizing him/her to be the parent's representative.

## WAIT UNTIL YOU RECEIVE YOUR VISA TO MAKE TRAVEL PLANS

No assurance can be given in advance that a visa will be issued. Your case will be carefully reviewed by the Consular Officer to determine your eligibility based on U.S. immigration law. **You are advised not to make any travel arrangements, such as resigning from employment, selling property, or purchasing travel tickets until you have physically received your visa. K1 and K2 visas are valid for six months and are good for one entry into the United States. K3 and K4 are valid for 24 months and are good for multiple entries into the United States.**

## VISA COLLECTION

If your visa application is approved, your passport and visa will be returned to you by Thai Post. Your documents will be delivered to the address you provided when you created your profile registration. It is important for you to provide a valid and correct address in your online profile.

Please note that the designated Post Office of Thai Post will hold your passport for only 7 days, after first attempt of delivery. In case you are not home, a second attempt will be made, notifying you to make an appointment. Otherwise, you can come over to the post office and collect the passport within 7 days. If not, the passport shall be returned to the Embassy.

## WARNING

**The Consular Section does not endorse or have a "special relationship" with any individual or business that offers advice or assistance with the visa process.** No one can guarantee the issuance of a visa to you. All U.S. government forms are free. Beware: many visa applicants lose money or are permanently barred from the United States as a result of misleading information and fraudulent applications provided by visa consultants.

Any document or information presented in connection with your fiancé(e) (K) visa application may be investigated. **Any attempt to misrepresent a material fact to the Consular Officer may make you permanently ineligible to obtain a visa.**

**By law, a fiancé(e) (K) visa petitioner may be imprisoned for up to five years, fined up to \$250,000, or both for entering into a marriage contract for the purpose of evading any provision of US immigration laws. In addition, a petitioner may be fined up to \$10,000 and imprisoned for up to five years, or both, for knowingly and willfully falsifying or concealing a material fact or using any false document in submitting a petition.**

Inquiries about visas can be made via: [visasbkkiv@state.gov](mailto:visasbkkiv@state.gov). Inquiries should include "IV Inquiry" and the case number (which usually begins with "BNK") in the subject line. **No inquiries will be accepted by telephone.**

- Your valid passport
- Three (1 x 1 ½ inches) photographs
- [Medical Examination Forms](#) ([DS-2054](#), [DS-3030](#), [DS-3025](#) and [DS-3026](#))

  - If you currently or have previously suffered from an illness, have had major surgery or trauma, or physical or mental impairment, please bring documentation from the doctor or medical institution that treated you.

## **IMPORTANT NOTICE TO FIANCE(E) (K) VISA APPLICANTS CONCERNING VACCINATION REQUIREMENTS**

United States immigration law requires fiancé(e) (K) visa applicants to obtain certain vaccinations (listed below) prior to the issuance of a visa. Panel physicians who conduct medical examinations are now required to verify that visa applicants have met the new vaccination requirement, or that it is medically inappropriate for the visa applicant to receive one or more of the listed vaccinations:

- Hepatitis A
- Hepatitis B
- Influenza
- Influenza type B (Hib)
- Measles
- Meningococcal
- Mumps
- Pneumococcal
- Pertussis
- Polio
- Rotavirus
- Rubella
- Tetanus and diphtheria toxoids
- Varicella

In order to assist the panel physician, and to avoid processing delays, **all fiancé(e) (K) visa applicants** should have their vaccination records available for the panel physician's review at the time of the medical examination. You should consult with your regular health care provider to obtain a copy of your immunization record, if one is available. If you do not have a vaccination record, the panel physician will work with you to determine which vaccinations you may need to meet the requirements. Certain waivers of the vaccination requirements are available upon the recommendation of the panel physician.

**Only a physician can determine which of the listed vaccinations are medically appropriate for you, given your age, medical history, and current medical condition.**
